### Over View:

#### MACAU :

Macau is an autonomous region on the south coast of China, across the Pearl River Delta from Hong Kong. A Portuguese territory until 1999, it reflects a mix of cultural influences. Its giant casinos and malls on the Cotai Strip, which joins the islands of Taipa and Coloane, have earned it the nickname, "Las Vegas of Asia." One of its more striking landmarks is 338m-high Macau Tower, with sweeping city views.

#### HONG KONG :

Hong Kong is an autonomous territory, and former British colony, in southeastern China. Its vibrant, densely populated urban centre is a major port and global financial hub with a skyscraper-studded skyline. Central (the business district) features architectural landmarks like I.M. Pei's Bank of China Tower. Hong Kong is also a major shopping destination, famed for bespoke tailors and Temple Street Night Market.
